O R D E R

The Kentucky Rural Water Association ("KRWA") has applied for accreditation of three regional meetings held during the month of July 2006, at the Ohio County Community Center, the Ponderosa Steak House in Morehead, Kentucky, and the Ponderosa Steak House in Draffenville, Kentucky.

Pursuant to KRS 74.020(7), this Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties." The conference for which approval is sought includes instruction regarding, inter alia, sampling procedures, operation and maintenance practices of typical water systems, leak detection programs, and pumps, motors, and controls operation and maintenance. Having reviewed KRWA's application describing the proposed course, the Commission finds that the proposed course will enhance a water district commissioner's understanding of his or her responsibilities and duties and should be approved for 2.0 credit hours for commissioner and board member training.

IT IS THEREFORE ORDERED that:

1. KRWA's proposed courses of instruction are hereby approved for a maximum of 2.0 credit hours each.
2. KRWA shall retain a record of all persons attending the approved courses of instruction.
3. Within 14 days of the date of this Order, KRWA shall file with the Commission a sworn statement attesting that the approved courses of instruction were performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.
